The Shaker Youth Hockey Association (SYHA) is a non-profit organization run by dedicated volunteers. For over 40 years Shaker Youth Hockey has provided a program designed to develop life skills of commitment, discipline, teamwork and sportsmanship; while teaching hockey skills that will maximize the player's potential at both the recreational and competitive levels.

SYHA's source of revenues is through fundraising and donations by generous individuals and businesses. We are seeking sponsors for both our organization and our teams for the 2009 – 2010 seasons and beyond. Shaker Youth Hockey is a 501(c) tax-exempt organization serving over 250 children ages 5 through 14. Your donation is tax deductible and may be eligible for matching fund if your employer participates in a matching donation program.

Donations to the organization will be dedicated to activities that enrich the skills of all players including such activities as additional clinics, purchasing additional ice time, tournaments and filling team equipment needs. It is our intent to distribute donations among all of our teams equally
